Mike Butler

Interagency Advisory Board

Thanks

Smart Card Alliance

Physical Access Council

Security Industry Association

The volunteers who have carried the flag these last few months in working out issues with FIPS-201 and with implementation issues

Thanks 2

Government Working Groups

- Fingerprints and Shared Services
 - GSA-DOI-OPM-FBI-NIST-DoD Biometrics Support
- Physical Security Roadmap
 - Ron Martin – NIST-OMB
(UNSINKABLE)

Call for Help (Government)

- Everyone is Busy
 - Government People
 - Technical Expertise
 - Business Expertise
 - Interested in Helping or Learning
- This project needs the energy and passion of people who are willing to step up ...

IAB Chair Job Opening ...

- We have one candidate ... nomination will be entered and vote by email among government members on April 27th.
- IAB is a democracy ... any other nominees please contact:

michael.butler@osd.pentagon.mil

(as in past, there will be joint Chairmanship)

Our Agenda

- NOT EVERYTHING is 'TOO HARD'
- There are folks 'testing the envelope'
- Our attempts are being observed around the world ... a comment heard more than once ...

WE TALKED and STUDIED – YOU YANKS
JUST UP AND DID IT
(like always)
